A Suite of Short Plays

## Sixteen in 10 Minutes or Less

The plays herein may be licensed together or separately. The piece was conceived as a full length evening of entertainment, but each short stands perfectly well on its own without any prior knowledge of the characters. When produced in its entirety, the plays should be presented in the following order:

### Act One

#### Friend Request (3M, 4W).....5

*Thanks to a series of ill-fated friend requests, a doctored photo of a student spreads like wildfire among a group of teenagers.*

#### Double Click (1M, 1W)..... 15

*Young love blossoms when two teenagers flip open their laptops and start chatting.*

#### Brace Yourself (1M, 1W)..... 23

*A teenage brother and sister squabble as they try to extract a gummy bear that has lodged itself in a set of braces.*

#### Lazy Eye (2 Either) .....31

*Two eyeballs get bent out of shape while defending their half of a teenager's brain.*

#### Fireworks (1M, 1W)..... 39

*A couple of teenagers in love look up at the night sky and wait for colorful explosions to dance among the stars.*

### Act Two

#### Pay Phone (2M, 1W, 1 Either)..... 47

*When a teenager loses his cell phone, he has no choice but to use a pay phone. Things quickly take a turn for the worse when a mysterious operator starts telling him what to do.*

#### Bench Warrant (4W)..... 57

*Three teenage girls have claimed a bench as their very own and routinely chase away all the "losers" who come near it.*

#### Wheels (2M)..... 65

*A teenage boy tries to repair a beat-up old truck so that he can get away from his parents and their broken down marriage.*

#### Tumblefur (1W).....73

*A sweet teenage girl takes her dog for a walk in the park and discovers that there is something exciting around every corner.*

#### Status Update: A Symphony

#### (3M, 4W) ..... 79

*Seven teenagers express their hopes and fears online in a rousing symphony of status updates.*

## Settings

When the plays are presented together, the settings should be simple representations of each locale. The use of blocks is more than sufficient and will help facilitate quick scene changes between plays. When the plays are presented separately, the settings may be as simple or elaborate as you wish.

## Characters

3M+4W, Expandable to 13M+17W+3 Either

**James:** Hyper & jumpy, male.

**Piper:** Outgoing & popular, female.

**Cindy:** Sarcastic & spontaneous,  
female.

**Samantha:** Exuberant & talkative,  
female.

**Laura:** Artistic & lonely, female.

**Brody:** Quiet & introspective, male.

**Vance:** Shy & thoughtful, male.

**Right Eye:** Eyeball, male or female.

**Left Eye:** Eyeball, male or female.

**Operator:** Voice only, male or  
female.

**Mom:** Voice only, female.

**Dad:** Voice only, male.

When all of the plays are presented together, the characters may be played by the same actors throughout (for a minimum cast of 7) or the roles may be assigned separately (for a cast up to 33). All of the named characters are sixteen years old.

Right Eye, Left Eye, Operator, Mom, and Dad were written to be played by the same actors as the named characters, but could be cast separately.

If the plays are presented independently, many of the roles become gender flexible. Simply change the pronouns when appropriate.
